A Herbal Rat/Mouse Repellent, the latest introduction from the house of CYGNET. Rat Vanisher Bio-Plus formulates from a combination of herbs from the stables of nature. Enjoy the goodness of nature to have a world free from Rats/Mice.

RAT VANISHER[®]

RAT VANISHER is an Organic Rat/Mouse Repellent, a versatile product, effective against all types of Rats & Mice. Rat Vanisher has been an inspiration to Cygnet for impelling itself in the field of pest control.

The Uniqueness- RAT VANISHER is a special and unique Rat/Mouse repellent. Applying Rat Vanisher for 30 days can keep away Rats and Mice for 4-6 months. It's a magic you will see with Rats/Mice disappearing from your very own eyes after a few days of application.

Insight- Age old techniques of Rat/ Mouse control have done little to tackle the situation, Rats & Mice still cause damage worth millions of Dollars every year all over the world, it is here where Rat Vanisher becomes a promise.

There can be a simple question that may cross your mind, how can one control rat population and its menace without killing?, the answer is simpler than the question, Rats reproduce and thrive when we make ample food available, if we repel them from their food heavens, the population disintegrates as is the law of nature.

How does Rat Vanisher work?

The application of Rat Vanisher temporarily affects Rat/Mouse after a few days of exposure. The Rats/Mice gradually starts developing a fear to the smell and therefore also to the area where it's applied. As a result they fear coming to the area for a good period, often ranging from four to six months.

They also communicate the fear or the danger to other Rats/Mice. Hence, application of Rat Vanisher gives a total solution to your Rat/ Mouse infestation.
